Facility Description	<input type="checkbox"/>
<p>Hebron Colony has been in existence since 1947, one of the oldest facilities around devoted to the restoration of individuals whose lives have been ravaged by alcohol and drug addiction, and also one of the most successful.</p> <p>Hebron is not interested in giving people more religion; instead, we teach people how to walk in a personal relationship with Christ and begin to learn how to apply God's principles in their everyday lives.</p> <p>We have two facilities to serve the differing needs of men and women struggling with addiction. Our main campus in Boone, North Carolina is our men's facility and can house up to 39 students. Grace Home, our women's facility, is located in Santee, South Carolina and has a capacity for 16 ladies.</p>	<input type="checkbox"/>
