<p><b>Located in Yadkinville, NC, Alpha Acres is known as “A Place of New Beginnings” for many men whose lives have reached rock bottom as a result of drug and alcohol abuse, or other reasons that have led to their lives becoming unmanageable.</b></p> <p>The Alpha Acres program has one focus – to create a more well-rounded individual who is better capable of re-entering society as a successful citizen, son, brother, husband, and father.</p> <p>In addition to daily Bible groups, life skills groups, Scripture memory, group counseling sessions, and one-on-one counseling that combines evidence-based practices with biblical principles, the men must also regularly attend a local church and are encouraged to get involved there. <i>Christ has the power to change lives</i>, and it is this very power that has brought about positive results to the Alpha Acres program.</p>	<input checked="" type="checkbox"/> Faith Based
