Facility Description																																																																			
<p>Capstone Recovery Center Inc. provides a safe Godly environment where women whose lives have been affected by prescription/illicit drug abuse, and/or other life-controlling issues, can be educated and encouraged to lead fully functional lives as productive citizens in the community.</p> <p>The Center offers a residential program, and a non-residential program for the purpose of healing the whole person. Residential clients are provided housing. Both residential and non-residential clients receive life skills training, individual and group counseling, computer training, and employment training. Upon completion of the program, they will be equipped to establish themselves as positive, productive members of the community.</p>
