<p>At Wilmington Treatment Center, our programming is all-encompassing and we will care for you through each step of the recovery process. We proudly offer detox services, residential treatment, partial hospitalization programming (PHP), and intensive outpatient programming (IOP) to help you reach your recovery goals. Each of these programs features highly trained staff members and evidence-based interventions that are proven to be effective in overcoming addiction and attaining sobriety. Additionally, our programs supply care to help you manage any co-occurring mental health disorders that may be impacting your life at the same time as your addiction.</p>	Female
